Any attempted assignment in breach of this section shall be void. This Agreement shall bind and inure to the benefit of the parties, their respective successors and permitted assigns.

 - ii. In any given month, Customer shall in no event be entitled to receive a credit that exceeds 100% of its monthly Subscription Fee.
 - iii. Service Credits may only be redeemed at time of renewal of a Product Order Form for an Extension Term. Upon Customer's renewal of a Product Order Form for an Extension Term, Service Credits earned by Customer hereunder will be applied against Subscription Fees due for the Extension Term. - c. **SLA Claims**
 - i. Customer must notify Zinc within 10 business days from date of incident it believes entitles it to receive a remedy under the Service System Availability warranty set forth below. All claims will be subject to validation by Zinc. Zinc may request Customer to provide copies of reports or other data to validate the claim.
 - ii. Zinc shall make information used to validate a Service Credit claim available for auditing by Customer at Customer's request.
 - iii. The remedies set forth herein represent Customer's sole and exclusive remedy for Zinc' breach of the Service System Availability warranty defined in this Exhibit A.
- d. **Exclusions.** Customer shall not have any remedies under this SLA to the extent any SLA claim is due to: (i) Customer Equipment and/or third party software, hardware or network infrastructure outside of Zinc's data center and not under the direct control of Zinc; (ii) failure of Customer to meet the configuration requirements for Customer Equipment used to access the Service set forth in the Documentation; (iii) End Users mobile devices; or (iv) a Force Majeure Event.

Times for the Scheduled Maintenance Window may be changed with reasonable prior written notice (which may be via email) to Customer.
- c. **Remedy.** If the Service System Availability is less than warranted under this Section 2, Zinc will provide Customer with a Service Credit for the month in which the failure to meet this warranty has occurred.
